WRAPCAP Youth Settlement Project - Building Sector Capacity Across the PNT Region

(Language: English)

Chair: Carolee Israel Turner, Centre for Newcomers

A 5-year initiative led by Centre for Newcomers, this project aims to build organizational capacity in the use and implementation of wraparound service delivery for newcomer youth. The project is youth led as they share their perspectives on what is working and not working, and how they feel services should be delivered moving forward. It is funded by Immigration, Refugee and Citizenship Canada (IRCC) and includes settlement, non-settlement, government, and industry partners across IRCC's PNT Region (Alberta, Saskatchewan, Manitoba, and the Northwest Territories).

Thursday, April 8 at 1:00 PM EDT

Responding to Temporary Foreign Workers' Needs During COVID-19 in B.C.

(Language: English)

Chair: Jennifer Ng, MOSAIC

The workshop will include discussions about the Employment and Social Development Canada strategy to support migrant workers during the pandemic through the Pilot Project in BC. This includes collaboration between settlement agencies and government agencies to support migrant workers through outreach, food hampers, outings and emergency supports. This workshop will include best practices and partnership strategies with employers to help workers' conditions, and will discuss how the COVID-19 Guidelines impacted migrant workers, employers, and service providers.

Tuesday, April 13 at 1:00 PM EDT

Emerging Practices in Settlement Service Delivery: A Hybrid Model to Respond to Newcomer Needs

(Language: English)

Chair: Jinny Rodrigo, S.U.C.C.E.S.S.

The landscape of settlement service delivery during the pandemic has transformed. Known best practices may no longer serve. What practices have emerged during this unprecedented time that seem to work and who gets left behind? How do we, as a sector, find ways to work remotely effectively and how do we find ways that minimize risk when the inevitable return to the office occurs. The S.U.C.C.E.S.S. Settlement & Family division

shares observations made during the pandemic as they have continued to serve BC newcomers in the Greater Vancouver area and Fort St. John during the pandemic.

Thursday, April 15 at 1:00 PM EDT

LINC and ELT: Pathways to Online Service Delivery during the COVID-19 Pandemic

(Language: English)

Chair: Lucy Fitzpatrick, Catholic Crosscultural Services Toronto

As the COVID-19 pandemic unfolded, service providers needed to act quickly to adapt programs and services to ensure clients were supported. CCS shifted its Language Instruction for Newcomers (LINC), Care for Newcomer Children (CNC) and Enhanced Language Training (ELT) Programs from fully in person to fully online, a process which has led to many challenges, learnings and innovative solutions. This workshop will present the pathways to online LINC and ELT service delivery and its results. It will explore challenges, opportunities and key factors for success in delivering LINC and Enhanced Language Training services remotely during COVID-19 and beyond.

The P2P 2021 Workshop Series runs until April 27, 2021. For the full schedule, please [click here](#).

The workshop series is being offered at no cost to conference registrants and for a small fee to those who did not register for the Pathways to Prosperity 2020 National Conference. Registration for those who did not participate in the P2P 2020 National Conference but would like to attend the workshops is [available here](#).
