I: Letter from the London & Middlesex Local Immigration Partnership Co-Chairs

December 2013

In June 2010, the London & Middlesex Local Immigration Partnership (LMLIP) submitted its first *Community Immigrant Strategic Plan* to Citizenship and Immigration Canada. The Strategic Plan outlined our community's ambitious direction in creating opportunities over the next three years for the successful integration of immigrants in our society.

Since its submission, LMLIP has mobilized close to 500 community members from cross sectors to work together to implement a number of projects identified in the Plan. We have also produced and disseminated annual *Community Achievement Reports* that highlight our success.

Over the past few months, time and effort has been generously contributed by our community to develop our updated *LMLIP Strategic Plan for April 2013 - March 2016*. The process of updating the Plan included:

- An LMLIP community consultation held on March 27, 2013
- 2013 Community Capacity Report *and* Perceptions of the LMLIP
- LMLIP Council and Sub-councils meetings April through September 2013

With the submission of the updated *LMLIP Strategic Plan*, our community is once again on a three year journey to: establish collaborations and partnerships and explore opportunities to create a welcoming City and region.

On behalf of the London & Middlesex Local Immigration Partnership Central Council and the six issue-specific Sub-councils, we are pleased to present our updated *LMLIP Strategic Plan* for the next three years. Our sincere gratitude goes to all those individuals who continue to be part of this vital project and to the agencies and organizations for their continued support of the work of the LMLIP.

As we move forward, we hope that the updated *LMLIP Strategic Plan* will guide us and serve as our community's road map for the next three years. We will continue to look forward to our community's engagement in the journey to create an inclusive, successful and welcoming community.

Thank you for your continued engagement and support.

II: About the London & Middlesex Local Immigration Partnership (LMLIP)

a. Purpose and Vision

The London & Middlesex Local Immigration Partnership is one of 34 Local Immigration Partnerships (LIPs) across Ontario funded by Citizenship and Immigration Canada. The work of the LIPs is supported by the Ontario Ministry of Citizenship and Immigration and the Association of Municipalities of Ontario (AMO).

The LMLIP is a collaborative community initiative designed to strengthen the role of local and regional communities in serving and integrating immigrants. LMLIP is guided by a Central Council and six issue specific Sub-councils and is supported by our post-graduate institutions, community services and volunteers across sectors as outlined in the following image.

b. Overarching Themes

The above figure reflects the following Overarching Themes:

- **Supports and Services for Immigrants:** Immigrants have increased access to supports and services to ensure that they can successfully participate in all aspects of the community

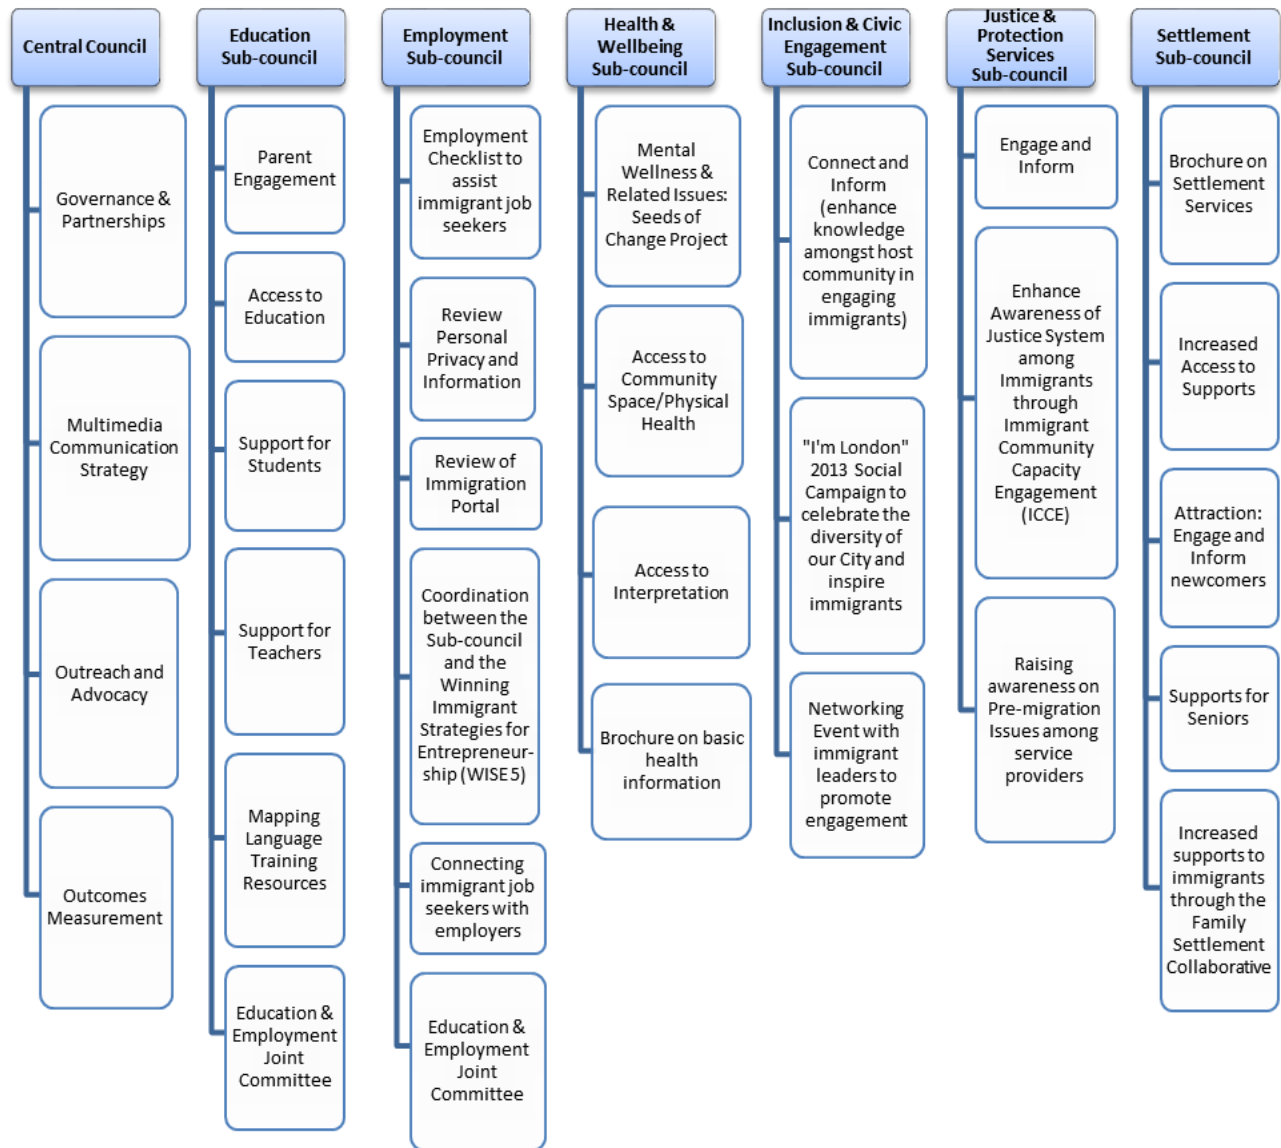

- **Communication and Access to Information:** Immigrants have increased access to information about available services, cultural expectations and how to access services and supports to successfully use the system in the community
- **Host Community:** London and Middlesex residents are exposed to, educated about and engaged in understanding and accepting diverse traditions, behaviours and experiences of all the cultures that make up the community
- **Supports for Service Providers:** Service providers and volunteers have increased access to sustainable funding, information on supports to collaboration, diversity training and resources to ensure timely, effective and responsive services for immigrants
- **Advocacy/Systemic Change:** Reduction of systemic barriers (i.e., local, provincial, federal and host community) that impede immigrants' ability to successfully engage in the community

The Overarching Themes were the result of: 1) community consultations; 2) a community capacity survey developed in partnership with the Centre of Migration and Ethnic Relations at Western University; and 3) LMLIP Central Council and Sub-councils' discussion throughout February and June 2010. According to the results, which we gathered and analyzed between April 2013 and October 2013, these themes will continue to be our main guiding themes for the next three years.

III: Highlights of 2010 – 2013

Since the submission of our first Strategic Plan in June 2010 to Citizenship and Immigration Canada, LMLIP Central Council and its six Sub-councils have coordinated and/or facilitated the development of over thirty initiatives and provided opportunities to our community to building creative partnerships across sectors. The following figure reflects the work of the Working Groups from Central Council and the six issue specific Sub-councils.¹

a. London & Middlesex Local Immigration Partnership (LMLIP) Priorities - 2010-2013

IV: Executive Summary: London & Middlesex Local Immigration Partnership Strategic Plan April 2013 – March 2016

The updated Plan reflects strategies from the previous Plan and new strategies that aim to create a welcoming community and assist in the delivery of integrated services to the immigrant communities. Some projects from the previous Plan will continue to be the focus of the working groups. Our priorities in the updated Strategic Plan reflect activities that will address the five overarching themes, namely, supports and services for immigrants, communication and access to information, host community, supports for service providers, and advocacy/systemic change.

Our desirable outcomes for the next three years will be based on Citizenship and Immigration Canada (CIC) Outcomes:

- **Immediate Outcomes:**
 - Newcomers/immigrants are aware of or obtain the services they need

- **Intermediate Outcomes:**
 - Newcomers/immigrants are connected to the broader community and social network
 - Community partners are aware of newcomer needs and contributions and are engaged in newcomer settlement
 - Canadians provide a welcoming community to facilitate the full participation of newcomers into Canadian society

The Central Council and each of the six Sub-councils will develop annual implementation plans and lead the execution of their priorities while mindful of our community's capacity.

V: LMLIP Strategic Plan

The following section highlights the content and work of the Central Council and Sub-councils and the planning process of updating the LMLIP Strategic Plan April 2013 - March 2016.

The planning process for setting plans and prioritizing actions included three bimonthly meetings of each Sub-council, five monthly meetings of the Central Council and a number of virtual meetings to finalize the drafts. The process also included information gathered from our fifth Community Event on March 27, 2013, as well as information from the updated 2013 Community Capacity Report *and* Perception of the LMLIP conducted in collaboration with Pathways to Prosperity, Western University.

VI: Conclusion

As we conclude our *Community Immigrant Strategic Plan (2010-2013)*, we recognize that a number of gaps and opportunities related to improving outcomes for immigrant communities and creating a more welcoming city and region are yet to be addressed. Moving forward, LMLIP has made a concerted effort to mobilize the community once again, through our updated Strategic Plan for the successful integration of immigrants.

LMLIP continues to be guided by a Central Council and six Sub-councils representing issues on Education, Employment, Health & Wellbeing, Inclusion & Civic Engagement, Justice & Protection Services, and Settlement. Over the next three years, the LMLIP Central Council and Sub-councils will continue the journey in coordinating, facilitating and leading the implementation of the recommended strategies from our new Plan. The LMLIP Central Council will further explore opportunities, strike new partnerships and mobilize the community in planning and finding local sustainable solutions that will improve outcomes for local immigrant communities. The LMLIP Central Council will also continue to engage the community with all its sectors and cultural communities to build a stronger and a more welcoming region.

VII: Acknowledgements

The London & Middlesex Local Immigration Partnership is thankful to Citizenship and Immigration Canada for their continued financial support. Our thanks go to the leadership provided by the City of London and United Way London & Middlesex. LMLIP also acknowledges the continued support of Dr. Vicki Esses and her team from Pathways to Prosperity, Western University.

We thank the LMLIP members and all those who participated in any project facilitated by LMLIP, including the March 27th Community Event. Their time, contributions and commitment towards creating a welcoming city is highly appreciated.

We will continue to acknowledge our community's investment in the London & Middlesex Local Immigration Partnership. When we presented our first Annual Performance Review to our funder, we noted the tremendous in-kind contributions of our partners, an investment which amounted to 43% of our operating funds. This contribution is reflected in the staff time, venues for meetings, leading special projects, our presence on the Immigration Portal, among other activities. Sincere gratitude goes to all those partners; without their ongoing commitment and contributions, LMLIP would not have been recognized as one of the best LIPs across Ontario.

Appendix A

Summary: 2013 Community Capacity Report *and* Perceptions of the LMLIP ²

- London and Middlesex is a community with many strengths in providing services to immigrants
- Universal, mixed, and immigrant-specific organizations provide services to immigrants and work collaboratively to do so
- More than half of the organizations who participated in the survey provide more than one type of service
- The most common services provided are community connections, social support services, employment assistance, and “other” services
- Based on the organizations who participated in the survey, services for seniors seem to be somewhat limited, particularly in the area of language training and education services
- A number of the organizations reported emerging plans to provide new services to immigrants, with examples including: pre-arrival and online information, interpretation and translation services, services targeting specific immigrant populations, and training sessions for local employers
- Many of the organizations participating in the survey reported being familiar with the London and Middlesex Local Immigration Partnership and believe that the LMLIP is relevant to the work going on in the community to support immigrants
- Many of the organizations see the LMLIP as having made at least somewhat of an impact on the supports for immigrants in the community and in making London and Middlesex a more welcoming community for immigrants
- In contrast, most organizations have not significantly changed their delivery of services in response to the strategic planning and activities of the London and Middlesex Local Immigration Partnership

London & Middlesex Local Immigration Partnership Council (LMLIP)

Terms of Reference

INTENT

The London & Middlesex Local Immigration Partnership Council is the strategic planning body that will ensure that multiple stakeholders participate in **planning and coordinating to enhance delivery** of integration services to **all** immigrants.³

The Council will develop and implement strategies to facilitate increased access to all services, and assist non-settlement service providers and the community to develop a greater understanding of immigrants' needs and services.

PRINCIPLES

The work of the Council will be guided by the following principles:

- **Inclusivity:** Our scope will be inclusive of all immigrants in London and Middlesex, regardless of their immigration status, citizenship, age, gender, health status, sexual orientation and number of years in our community.
- **Advocacy:** Advocacy for the integration of immigrants.
- **Collaboration:** There is an inherent mutual responsibility between our community and immigrants.
- **Diversity:** We respect diversity within immigrant communities and build understanding across immigrant communities and cultures.
- **Social Justice:** We will seek to promote inclusion and civic engagement of all immigrants and work toward changes to ensure their integration.
- **Client Centered:** The holistic needs of the individual are at the centre of our work.
- **Empowerment:** We will enhance and restore their capacity to live a healthy life and to enable them to make informed decisions.

AREAS OF FOCUS

The primary areas of focus for the Council are as follows:

- **Education** - This includes English as a second language (ESL), Language Instruction for New Canadians (LINC), elementary, secondary and post-secondary education.

³ For the purposes of the LMLIP, an immigrant is identified as any individual who defines themselves as an immigrant; this includes but is not limited to: Canadian Citizens, Permanent Residents, Convention Refugees, Temporary Residents and individuals with no immigration status.

- **Employment** - This includes mentorship, bridging, job search programs, credential assessment, employment and employment supports.
- **Health & Wellbeing** - This includes but is not limited to, mental health, impact of trauma/war, access to services, recreation, nutrition and life skills.
- **Inclusion & Civic Engagement** - This includes all social, parental, child and cultural supports.
