

# Local Immigration Partnership Community Forum

November 13, 2014

Southlands Community Centre

The new St. John's Local Immigration Partnership (LIP) is designed to help improve the integration of immigrants, as well as to better integrate immigrant needs into municipal planning processes. It does so by strengthening local capacity to help foster labour market access, improve social inclusion, and develop sustainable, welcoming communities.

## Registration for the Community Forum

Since space is limited this invitation represents a spot for one individual.

### To Register:

Please fill out the below registration form, save it to your computer and return it by October 27, 2014, by emailing it to [immigration@stjohns.ca](mailto:immigration@stjohns.ca) or faxing 709-576-5691. If you have any questions about this process, please contact Willow Anderson at 709-576-2325.
