History

- Increase in economic and population pop. Growth
- Greater Moncton Immigration Summit was held in 2013- over 200 attendees
- Consultations held with over 24 business and organizations
- Greater Moncton Immigration Strategy developed and implemented beginning June 2014 and goes until till 2018
- LIP a high priority in Immigration Strategy

Overview

- First agreement was provided to the City of Moncton in September 2015
- Consulted with many LIPS across Canada and sought expertise/ promising practices from Victoria Esses- allowed us to help pave the way for success
- Purpose: Improved coordination and communication among agencies and immigration stakeholders to improve outcomes for newcomers/ immigrants
- Our goal it to provide tangible improved outcomes for newcomers through better coordination of services in a strategic fashion

Overview (cont.)

- **September- November-** created Terms of Reference and selected LIP Council members based on strategy and engagement level- quick wins
- **Nov. 2015:**
 - LIP Council Formed: The LIP Council has 19 members from a variety of immigrant serving agencies, government, immigrants, economic dev. Agencies, school districts, private sector etc.
****Relationships and influencers are key***change the culture and the messaging through action****
- **LIP Forum held November 2015:**
 - Victoria Esses helped with visioning, purpose, examples from across Canada and delivery
 - Council Governance and a review of the established terms of reference

What's ahead?

- Local Immigration Partnership Forum March 2017
- Increased research on priority areas: Francophone Immigration and Entrepreneurship
- 2016- 2017 yearly action plans will be developed and implemented
- Settlement and Integration Website 2017

Conclusion:

- Engage the right supports early on and research promising practices
- Engage decision makers and community leaders to be a part of the LIP
- Make meetings inclusive (bilingual), etc
- Be relevant and full fill needs- tangible results help engage more people
- Make it relevant and increase coordination-ex: Facebook, portal, follow up and support for meetings, etc
- Everyone leads by example and works in collaboration to full fill needs as they arise
