# INFORMATION-SHARING & COLLABORATION

- Overview of individual LIP projects and activities
- Regional consultation outcomes
- Sharing insights from national conferences, initiatives
- Call for proposal support
- Proposed joint initiatives
- Refugee claimants – inter-regional coordination
- Provincial stakeholder engagement
- Supporting emerging LIPs

# VALUE OF THE NETWORK

- Sense of connection with other LIPs
- Being “in the know” about the latest program and policy developments
- Sharing information, ideas, best practices, challenges (what’s working, what’s not)
- Learning about variations in how individual LIPs are resourced and administered

## WHAT MORE COULD WE DO?

- Sharing how each LIP is responding to current events (election, rise of populism)
- More face-to-face meetings
- Collaborate on inter-regional program or proposal
- Learning about and supporting LIPs at different life-cycle stages with varying rural-urban characteristics
  - *“How do we not leave a call thinking, ‘Oh dear, we need to do more?’”*
