

# **Annual Performance Report for Community Partnerships (APRCP)**

## **Best Practices**

---

Ariane Savi - Erika Cantu - Sarah Caissie

# Agenda

---

**01. Welcome**

**02. Introduction**

**03. APRCP**

**04. Roundtable discussion**

**05. Closing**

---

# Introduction

---

Join your LIP Colleagues as we together explore approaches LIPs take to track and record output and outcomes data to prepare IRCC's Annual Performance Report for Community Partnerships (APRCP).

This session is intended to surface **promising practices and tools** LIPs can use to empower themselves for optimal reporting

# Annual Performance Report for Community Partnerships

---

**(APRCP)**

## Summary

---

1. Partnership inputs

**Collaboration & Commitment**

**Research & consultations**

**Implementation**

**Successes & challenges**

“

**LET'S DO  
THIS**

I can do things you cannot,  
you can do things I cannot;  
together we can do great things.

*Mother Teresa.*

## Collaboration & Commitment

---

Assessing appropriateness of members: processes & results

Commitment of members: processes & results

Information sharing: activities, examples, results

Training

Tool development

Member feedback

## Research & consultations

---

Research conducted?

Trends in needs

Asset map?

Unmet & emerging needs

## Implementation

---

Activities implemented?

Examples

Unplanned activities

Municipal endorsement

## Successes & challenges

---

Success factors

Challenges

Promising practices

Success stories

# Activity

**1. How do you collect the information?**

**2. How to improve it?**

# Next Steps

---

1. Collecting information
2. Share with the participants

**Thank you**
