SERVING THE UPPER FRASER VALLEY

Amplifying Underrepresented Voices: What strategies can local immigration partnerships use to elevate the stories of marginalized communities?

Building Inclusive Communities: What narratives can help create stronger, more welcoming environments for newcomers?

Encouraging Local Storytelling: What actions can participants take to promote storytelling initiatives in their own neighborhoods?

Effective Storytelling Methods: What specific approaches have proven successful in bridging cultural gaps?

Enhancing Empathy:

What are ways to use storytelling to foster greater empathy among community members?
