I asked Hapi: I am looking for housing support

Hi there, I'm Hapi, a digital companion here to help you navigate the challenges of community life. I'm glad you're thinking about housing supports. To find the best options for you, could you tell me a bit more about what you're looking for? Are you in need of emergency shelter, or are you looking for long-term housing? Do you have any specific preferences, such as location or type of accommodation?

I asked Hapi: I am looking for housing support

1. ****Habitat for Humanity Canada****:
They offer affordable housing for low-income families. You can reach out to them to inquire about their current availability and application process.
